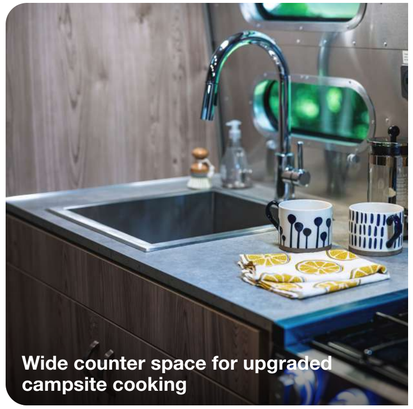
AIRSTREAM® Flying Cloud

2027 TRAVEL TRAILERS

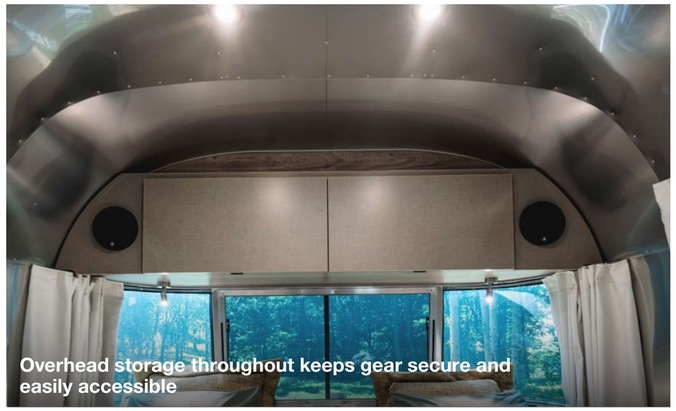
About
Flying Cloud

Family friendly and ready to start making your travel dreams come true, Flying Cloud is one of our most popular travel trailer lines for a reason. With one of the widest selections of floor plans in the Airstream lineup, it offers flexibility to match the way you travel. From the Work from Anywhere optional Standing Desk, Bunk, and Rear Hatch upgrades in the 25FB and 27FB models, Flying Cloud is packed with features that let you bring along the comforts of home and focus on making the most of your travel. Work, play, learn, and explore on the adventure of a lifetime in the Airstream Flying Cloud Travel Trailer.

- Five floor plan options, from **23 feet to 30 feet**.
- Woven stain resistant seating is **comfortable, durable, and easy to clean**.
- Dinettes and sofas convert easily into **expansive, additional sleeping areas**.
- **Handcrafted cabinetry** is built in-house with high-quality materials that stand the test of time.
- Available on the 23FB, an **optional lounge upgrade replaces the dinette with a sofa (shown right).**



Wide counter space for upgraded campsite cooking



Overhead storage throughout keeps gear secure and easily accessible

QuietStream™ ducted climate control quickly, quietly, and efficiently cools the cabin

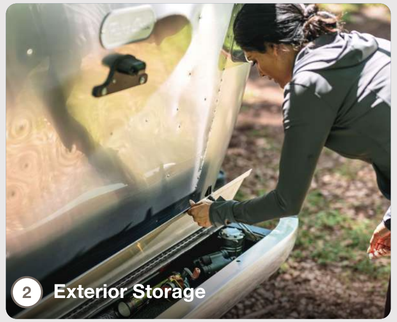
Exterior **Features**

Timeless style, premium components, and hand-made craftsmanship combine to create the world's most iconic travel trailer. Named in honor of Airstream founder Wally Byam's love of the sea and inspired by an 19th century clipper ship, Flying Cloud is built for hitting the road in search of epic travel experiences. The curved shape of the riveted aluminum shell slips efficiently through the wind while expertly designed storage areas let you bring along all the gear your adventure requires.

Explore more features the Flying Cloud has to offer

Shade yourself from the sun and expand your living space



Exterior storage for cables, cords, hoses, and camping essentials

Easily tow and park with help from a backup camera that delivers visual and audio guidance through a wireless monitor

Directional A/C vents increase airflow and offer a shut-off function for more comfort and control

Harvest the energy of the sun for off-grid adventures

Stainless steel rock guards and solar window protectors deflect road debris

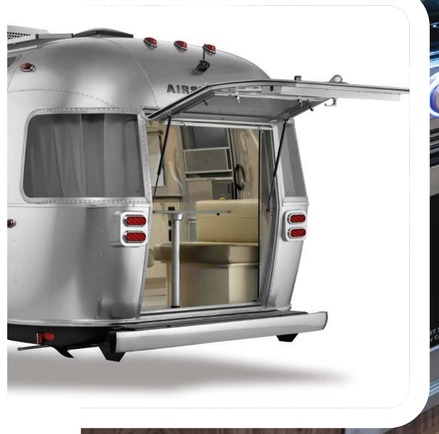
More
Information

With a wide range of floor plans to select from, Flying Cloud is one of the most versatile model lines we offer. A plethora of available features and configurations let owners tailor their Flying Cloud to match the way they travel, work, relax, and explore.

- Optional Rear Hatch opens to allow for easy gear loading and unloading. Bring along bikes, kayaks, and everything you need for your next adventure.
- Optional standing desk features a powered sit/stand workspace with additional electrical outlets, a desk chair, and thoughtful design details that make it easy to take modern life on the road.
- Optional 23FB lounge configuration swaps the dinette for a sofa with built-in storage, creating a more open and comfortable living space.



How It's Made

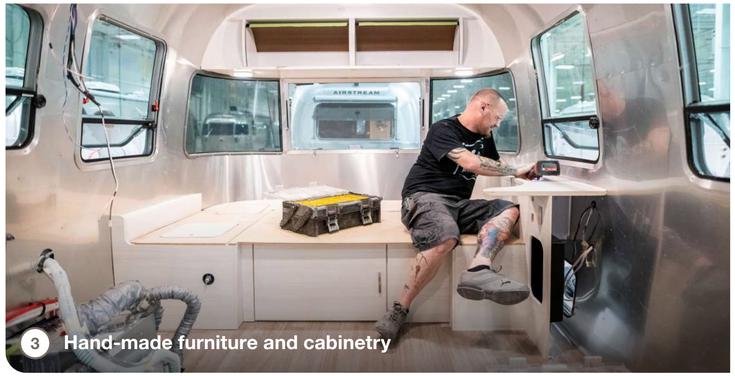
Informed by more than 90 years of quality craftsmanship and expert design, Airstream travel trailers are hand-made in Jackson Center, Ohio. Only the best materials are used – from seamless, waterproof composite flooring, to the hardware and finishes we use to build our cabinetry, to the rivets and aluminum that form the shell. In building our world-famous travel trailers, we rarely do things the easy way. That's why an Airstream travel trailer can last a lifetime – or more – and be passed down from generation to generation for years of enjoyment.

Schedule a factory tour

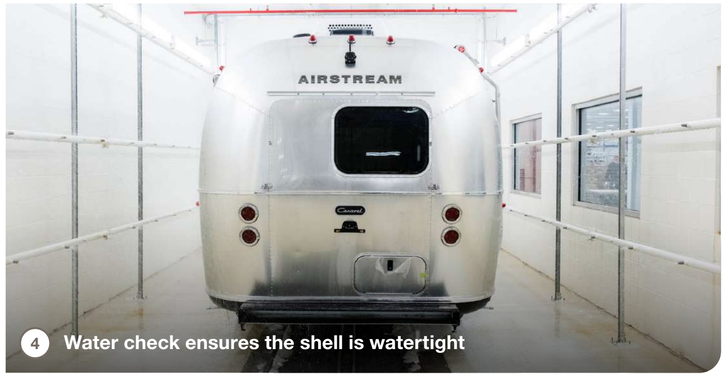
Find your local dealer

1 Seamless composite flooring

2 Riveted aluminum shell built with time-honored techniques



3 Hand-made furniture and cabinetry



4 Water check ensures the shell is watertight

5 Multi-point quality inspection before heading to customers
